### Scoring Key:

**90-100.** Awesome. Congratulations for having such a great life.

**80-89.** Excellent! Your score is very high -- this is a tough test.

**70-79.** Very good. You're definitely on track for a HQ life.

**60-69.** Pretty good. You are making progress, but there's work.

**50-59.** Average score. Why not make your quality of life a priority and score 10 more points in the next month?.

**40-49.** This is nothing to feel badly about, but you'll probably need to make some real changes to improve your life.

**30-39.** Weak. The questions are challenging, but not that challenging. What's up with you?

**20-29.** Okay, let's get serious. You have one lifetime. Why aren't you making the most of it?.

**10-19.** What's this about? Is it a temporary condition or have you just not paid attention to your life yet?

**0-9.** Ouch! Why do you think your score is in this range? Could it be low self-esteem or emotional stress?
